OCTOBER 2026

The product working on screen, for 7 brands in one month.

Content produced in October 2026 for:

CapCut · Dreamina · Wav · Dola · Freebeat · Runable · Meshy

MAIN CASE

Dola · Seedance 2.0

IDEA

A suspense mini-series created from prompt to scene, with the hook in the first seconds.

DELIVERY

Two vertical videos, brand-approved script, real app interface with the model name legible, step-by-step tutorial and a call to try it.

FIT

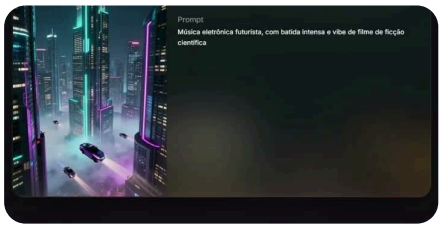

For AI creation apps that need to show the full flow and the result, with no simulation.

Watch at @closertech1 {Reel URL · to confirm}

CapCut

Tutorial: edit a whole video with one ChatGPT request, with the real app on screen. Delivery: two videos and a YouTube cover.

Wav

AI music and soundtrack in three steps, with the tool's interface on screen.

Meshy

3D character generated from prompt to 4K result, with the brand logo in the opening.

How each video is built

1. **Hook** — in the first three seconds
2. **Demo** — with the real product screen
3. **Call to action** — link, coupon or comment keyword

HOW WE WORK

From briefing to publishing, without friction.

1
Briefing
Goal, product and brand message.

2
Script
Idea and voice-over proposal, approved before shooting.

3
Production
Filming, 3D and editing in our studio.

4
Approval
The brand reviews the video before it goes live.

Formats

ESSENTIAL

1 Reel

One idea, one feature, one demo. For a launch or a single-feature highlight, on Instagram.

Pricing on request

RECOMMENDED

3-Reel series

Three videos in sequence: introduce the product, demo it on screen, convert with the offer. The audience sees the brand three times in a month.

Pricing on request

MULTI-PLATFORM

Reel + Shorts + TikTok

One production, three native deliveries: the same video adapted in cut, captions and cover for Instagram, YouTube Shorts and TikTok.

Pricing on request

We also do unboxings, reviews, stories and feed posts.

Clear disclosure
Sponsored content labeled according to each platform's rules.

Agreed rights
Usage, paid media and exclusivity defined before shooting.

Timeline and revision
Schedule agreed at briefing, with a revision round.

Shall we show your product working?

Send us the product and the campaign goal. We reply with a proposal and a first script idea.
